

We are real people with real data and that is the Hurricane Difference bottom line. If you are tired of playing around and want to make some real power this is the one for you!

If you live near salt water or in very dusty or severe climates: use our Permanent Magnet Alternator Wind Turbine PMA Coating for extra protection on the PMA and anything else you need a high ...

Find many great new & used options and get the best deals for Wind Generator 24 / 48 Volt Dual Permanent Magnet Alternator Hurricane PMA at the best online prices at eBay!

Permanent magnet alternators are by no means standard "Automotive" alternators containing brushes and electro-magnetic coils. A PMA/PMG does not waste power by having to continuously create an ...

We sell our permanent magnet alternators for use in wind generator or micro hydro generator as well as a host of other applications including human power and inventors. What we are not: Hurricane will ...

If your permanent magnet alternator manufacturer does not understand the principles contained within this playlist, they will be inept whether their task be manufacturing or importing. Perhaps it's time to ...

Unleash the potential of sustainable power generation with a step-by-step guide on installing a Permanent Magnet Alternator Generator.

Upgrade your wind energy system with our high-performance wind turbine alternators and low RPM permanent magnet generators. Designed for efficiency, durability, and maximum power ...

Gear-less, direct drive, low RPM generator. High quality bearing and magnet, easy to send out quantity of heat and keep magnetic property. With the best NdFeB Permanent Magnet, high-grade pure ...

When using our permanent magnet generator for wind turbines, power density is increased using inverter technology, where the traditional excitation winding systems are replaced and the stator is ...
