

What is Longi high-efficiency solar module?

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a leading manufacturer and brand in the export and installation of monocrystalline silicon solar photovoltaic module.

Who is LONGi Solar?

AEE Solar is proud to introduce LONGi Solar to the US distribution market. Established in 2000, LONGi has produced photovoltaic cells since 2007 and is the world leader in photovoltaic cell production.

Who is LONGi Solar in Germany?

LONGi Solar in Germany has been nominated for the German Excellence Award 2026 by DISQ in the category Energy and Environment for its EcoLife residential solar series. Access expert guidance, product resources, and answers to your most common questions--all in one place. Your journey with LONGi starts here.

Why should you choose LONGi Solar panels?

High efficiency modules supplied by LONGi have been applied widely across the globe from grassland on high lands, deserts, water ponds to households. The solar modules benefit customers and local economies with high value advantages of greater efficiency, lower light degradation and higher reliabilities.

LONGi Solar was founded in 2000 and is based in China, but they have offices all over the world with a headquarters in the U.S. LONGi has been in the solar photovoltaic business for over 20 years, which ...

Longi Solar 320W Mono Solar Panel Longi Solar Panels has superior and special appearance with a black frame and black backsheet, suited for residential and commercial applications.

LONGi Solar Technology Co., Ltd. Solar Panel Series LR6-60HPB 300-320W (IEC-UL). Detailed profile including pictures, certification details and manufacturer PDF

Higher Efficiency Quality and Reliability Performance Product Warranty Product Details Outstanding power output in low irradiance conditions, such as dawn, dusk and cloudy days. The Anti-PID solar cell processing techniques and encapsulating material make these ideal for installation in hot and highly humid areas. Excellent anti-salt mist and anti-ammonia capability make these adaptable to harsh seaside environments. See more on a solar store Length: 66.26in Voltage (VOC): 40.6V Rated Power Output: 320W Width: 39.2in kts.solar Photovoltaic panel LONGI Solar LR6-60 HPH 320 M The LONGI Solar LR6-60 HPH 320 M delivers 320W of power. Maximum current is 9.43A with a voltage of 33.9V. Discover all the panel features.

The Longi 320w datasheet is your key to understanding the performance and potential of a specific solar panel. This document contains crucial technical information that helps installers, ...

LONGi 320W Solar Panel 120 cell LR6-60HPH Modules AEE Solar is proud to introduce LONGi Solar to the US distribution market. Established in 2000, LONGi has produced photovoltaic ...

The LONGi Solar LR6-60 HPH 320 M delivers 320W of power. Maximum current is 9.43A with a voltage of 33.9V. Discover all the panel features.

LONGi has announced a new world record conversion efficiency of 26.5% for its silicon heterojunction (HJT) photovoltaic cells. LONGi Life-cycle Quality approach ensure the highest ...

The LonGi 320W Solar Panel (LR6-60HPH) offers cutting-edge monocrystalline PERC technology with Half-Cut cells, delivering superior energy performance in various environments.

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a ...

Welcome to the LONGi Support Hub. Access product datasheets, installation guides, warranty documents, and FAQs. Find answers and expert help now!
